Dear Joe:

It is my pleasure to provide a reference to whomever is interested in your service, unless, it is a competitor. We wouldn't want them to gain any Fucini advantage. We have been working together long enough, since 1994, to know that your service is very beneficial.

Fucini Productions have been an extraordinary conduit for KONG to access VIPs and media professionals. We have lost count of the number of Radio, TV and Newspaper interviews you have arranged.

The number of "Hits" you have provided for us, over the years, is astounding. Your fees have always been reasonable, your service has been exceptional, and we look forward to working with Fucini Productions for many, many more years.

Thanks again, Joe! We appreciate all you have done to help us grow.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Markham", written over the typed name and title.
